Soak them in Gillex—just a tablespoonful to the dishpan of water. The hard-to-move burnt fat will just fall off. Gillex dissolves the hard that holds all this black scale to the metal. Gillex makes hard water rain-soft.

Gillex is the most effective known solvent of oil and grease—has four to five times the cleaning power of borax or a gritty cleanser.

Giller will not harm the hands or the most delicate fabrics or surface. Use no more than quantities specified in directions.
